Price Bands

Every handle is different so to make things easier we've created three bands to help group together ones of similar cost. A handles band can be identified by the icon which accompanies the rest of the information.

STANDARD The ideal choice for both form and function, these handles will provide the perfect finishing touch.

PREMIUM A little bit different from the norm, these handles will help any design stand out from the crowd.

PREMIUM+ For that extra touch of class these are our highest quality handles, guaranteed to really make a statement.
